Subject:— Question 7

Continuance of the services of Mr. Abdulla Sheriff, Superintendent Amrut Mahal Department, till the 27th November 1926.

The extension of service to Mr. Abdulla Sheriff, Superintendent, Amrut Mahal Department, expires on the 27th November 1926. The Director of Agriculture first recommended that it was necessary to retire this officer with effect from 1st July 1926 to enable the Director to carry out the improvements that the Department required. His recommendation was approved, and he was asked to inform Mr. Abdulla Sheriff that Government would be prepared to give the leave that he was entitled to with effect from 1st July 1926 till the 27th November 1926 preparatory to retirement The Director of Agriculture now recommends that the successor he has proposed for Mr. Abdulla Sheriff, i.e., It. Monteiro, should be given an opportunity to gain an insight into the working of the Department before he assumes final charge and he suggests that Mr. Abdulla Sheriff may be allowed to continue until he completes the term of his office so that he may clear all the arrears and that Lt. Monteiro may be associated with him for a period of two or three months before Mr. Abdulla Sheriff's retirement to acquaint himself with the details of the work in the Department.

Not much useful purpose is likely to be served by the association of an officer who is intended to succeed another for any long period as it would not be natural for any man who expects to be relieved by another to co-operate with the latter and there would however be much division of responsibility and disorganisation of work. As, Lt. Monteiro has not been previously attached to the Amrut Mahal Department, it seems to be necessary to allow him to understand the details of the Department for a short period and I considered that a period of one month as quite sufficient for the purpose.

27

At present we have three officers in the Agricultural Department whose work is more or less closely connected, viz., the Superintendent, Civil Veterinary Department, the Superintendent, Amrut Mahal Department, and the officer in charge of Live Stock work. Mr. Davison had control both over the Amrut Mahal Department and Live Stock work, and until we are able to get a trained man both these appointments can be very well filled up by one man. The question of reviving the separate appointment of Live Stock Expert may be considered after the scholar who is under training returns. Mr. Krishna Iyengar had been superseded by Lt Monteiro when Major Simpson went on furlough, but as the remaining perio of the Major's furlough is very short, it is proposed to appoint Mr. Krishna Iyengar to officiate as Superintendent of the Veterinary Department for this period. The question of a successor to Major Simpson will be re-examined some time before Major Simpson retires.

The above aspects were considered in Council and the following resolution was passed:-

"Mr. Abdulla Sheriff may be granted leave preparatory to retiremen from 1st September 1926. Lt. Monteiro may be appointed to act as Superintendent, Amrut Mahal Department, on a pay of Rs.300 in the grade Rs. 250-25-450. He will be associated with Mr. Abdulla Sheriff for a perio of one month before he takes final charge, to acquaint himself with the details of the Department. Lt. Monteiro will also be in charge of Live Stock work. Mr. Krishna Iyengar who is now in charge of Live Stock work may be appointed to act as Superintendent, Civil Veterinary Department during Major Simpson's absence on leave".

The resolution of the Council may be graciously approved.

D. O. No. C.10 of 25-26

OFFICE OF THE DIRECTOR.

Camp, Mysore,
30th June 1926.

My dear Sir,

In connection with your letter No. 2136/25-26 dated 15-6-26 wherein Government agree to permit Mr. Abdulla Sheriff to take leave from the 1st July, I find that the time left will not be enough to clear some of the work in the Amruthmahal Office and arrange to relieve the officer who is to take charge. I therefore propose that Mr. Abdulla Sheriff be allowed to continue at work until the expiry of his present extension. This will obviate shifting three officers from their present posts at the time when final accounts, reports and the administration reports have to be completed.

As soon as Mr. Monteiro has completed his annual

returns and administration report, I propose to send Mr. Krishna Iyengar to relieve him in the Civil Veterinary Department so that Mr. Monteiro should have 2 or 3 months to work with the Superintendent, Amrutmahal Department, in going through with the musters, completing registers, etc., which is very essential and takes some time.

I therefore request the Government to agree to in this modification in my previous proposal.

Yours sincerely,

Offg. Director of Agriculture.
